

## **FISCAL NOTE**

### **SB 3155 - HB 3438**

March 9, 2006

**SUMMARY OF BILL:** Prohibits the issuance of permits for “Advance Treatment Systems” for sewage disposal until a dwelling complies with the restrictive covenants and zoning requirements for a subdivision. The county offices of the Division of Ground Water Protection would be required to evaluate the application for compliance with such covenants and requirements prior to issuing a permit.

#### **ESTIMATED FISCAL IMPACT:**

##### **Increase State Expenditures – Not Significant**

Assumptions:

- The local offices of the Division of Ground Water Protection will have sufficient information to make the required determinations.
- There would be an increase in state expenditures for administrative duties. Such increase is estimated to be not significant.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
